ACKNOWLEDGEMENTS

I would like to give a special thanks to the people who have showed their love and support in the making of this book. First and foremost a thank you to the woman who designed the book cover for the wonderful job done, Andiswa Dlamini. Secondly a thank you to the aspiring young writer, Menzi “Memi” Myeni, for providing such inspiring words to us. Last but most certainly not least, a glorious thank you to the various poets who were kind enough to bless this book with poems of their own writing; Avelamajola “Miss Grey” Sizani, Princess Msimang, Siphawokazi Zulu, and Vuyolwethu Xaba.

YOUR PAST WILL
REMAIN WHERE IT
BELONGS
BUT YOUR FUTURE
WILL BE WHERE
YOU WANT IT TO
BE

MEMI

Law of L♥ve

This ain't the law
of life
But it's the law
of love
No one can tell you how
to live
Nor with whom
to love
For love isn't dropped
and caught
But you just trust
and fall

Dumo.X

Love

How sweet thy fragrance

How soft thy touch

That calms the heart

And clears the mind

Dumo.X

Roses

Roses are red
Violets are blue
I want you to know
That I love you

Dumo.X

Poetic Type of Love

Usually it goes 'Roses are red,
violets are blue if you would do
me the honour may I go out
with you"

Cheesy with a happy ending
Live happily ever after
No problems whatsoever
The wife is happy with staying at
home and looking after the kids
while her husband is making
money for them
Typical scenery of Love

A poetic type of love has so
many elements even you would
second guess the reality of it

Vuyolwethu Xaba

Poetic Type of Love

You see my type of love is when I meet
this dark chocolate , tall and muscular
man who knows how to treat a woman

Respects me
Spoils me
Loves me
And protects me

But I know in between those things
there'd always be that one clingy ex
The girls on his phone
His insecurities too

It won't be easy dealing with those
challenges but love would give me the
strength to fight it .

He cheats
Usually it's "Pack your things and leave
his cheating backside" and I'd be a hero
to all women

But I'd rather be classified as a "clown"
and stay with him because my love is
too strong to be shaken

That's my Poetic type of love

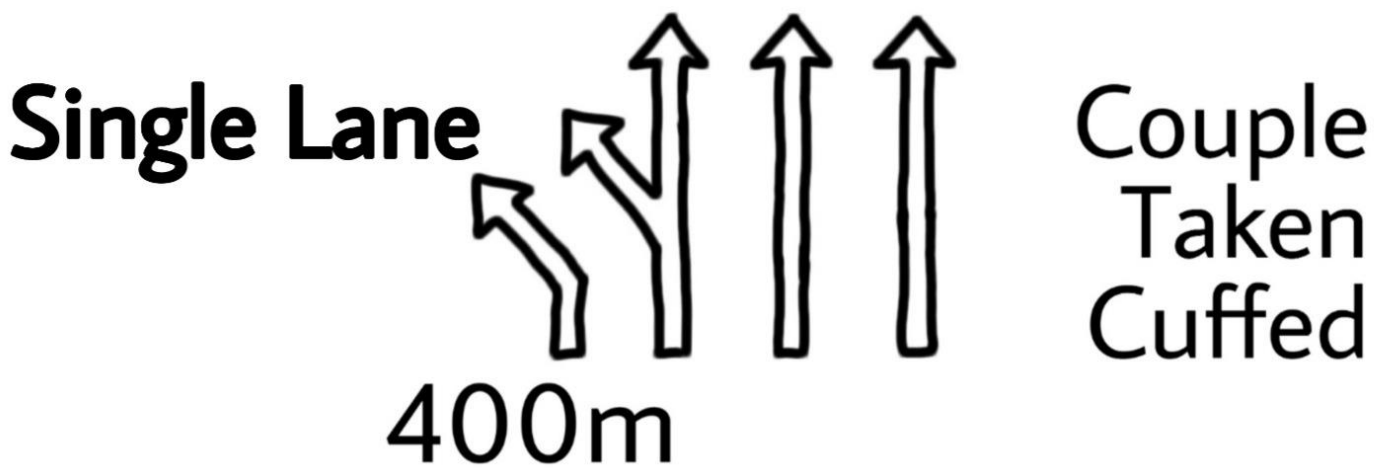

Vuyolwethu Xaba

What's the question
that you ask
You want to know my
past
Who have I ever
loved
What love I ever
had
That question's in
my past
Finally, it's now
my history
In future I have
you
I finally have you
with me

Dumo.X

You got choices
A, B, C
You got choices
1, 2, 3
Please don't you
contemplate
You can't con me
it's late
Angel like voice
to your name
You have a choice
to make

Dumo.X

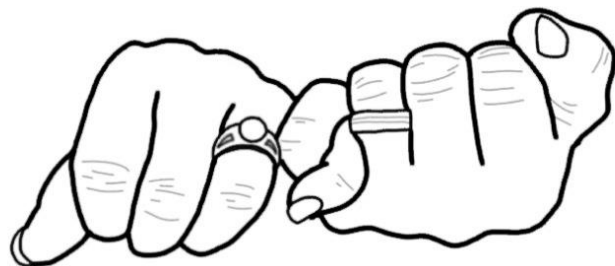

They been trying for
days on days now
Tryna get me in the
Couple lane
What is it that you
don't get now
I'm happy y'all in the
Single lane
You pave a path and
you walk now
Stop trying to bring all
my walls down
From fake love what
would you get
But a couple of people
up and set

Dumo.X

Lovely Lady

I started this alone but
I won't finish it alone
I'll meet a lovely lady who
can put me in the zone
I'll meet a lovely lady
I could take on a date
And have a couple of laughs
until it's never too late
And when I meet her dad I'll
show respect like I was taught
And tell him uma unginika
ithuba awuzukuz'sola
We tried to hide our love but
like kids we were caught
But when I say I do I know
ang'soze ngaz'sola

Dumo.X

This Law

He first the out law then in law
cause everybody breaks this law
It's how we started out broke then
we found ourselves breaking in
doors

Yes we broke doors, all just to
break down the law
Broke doors to break down the law

She first the in law then out law
cause everybody breaks this law
It's how we started out joking then
we found ourselves joking in love
Yes we in love, love just for making
these poems

Love started
with just a
poem

Dumo.X

Love Don't Pay The Bills

Love don't pay the
bills
Even if it feels so
real
Only money pays the
cheques
That we sign like
little letters
Get up for the day
Only just to get
your pay
Every day you work
away
Only just because
it's pay day

Dumo.X

You Made My Day:

I never thought poems
could ever be good
Till I met you and found
that you're great at it
Cause all that you write
has some real thing in it
All that you write has the
truth up in it
So I thank you for all that
you did for me
You changed my
perspective and you made
my day
So I'll return the favour by
making your day
I'll finally ask you if you'll
be my bae

Dumo.X

The Way That I Love

If I love you the
way that I love
Will you show me the
way that I love
Our love can fly up
in the sky
In the sky like that
little white dove
Ngob' uthando
olwethu ngolwethu
It's for nobody
else ngolwethu

Dumo.X

IMPILO

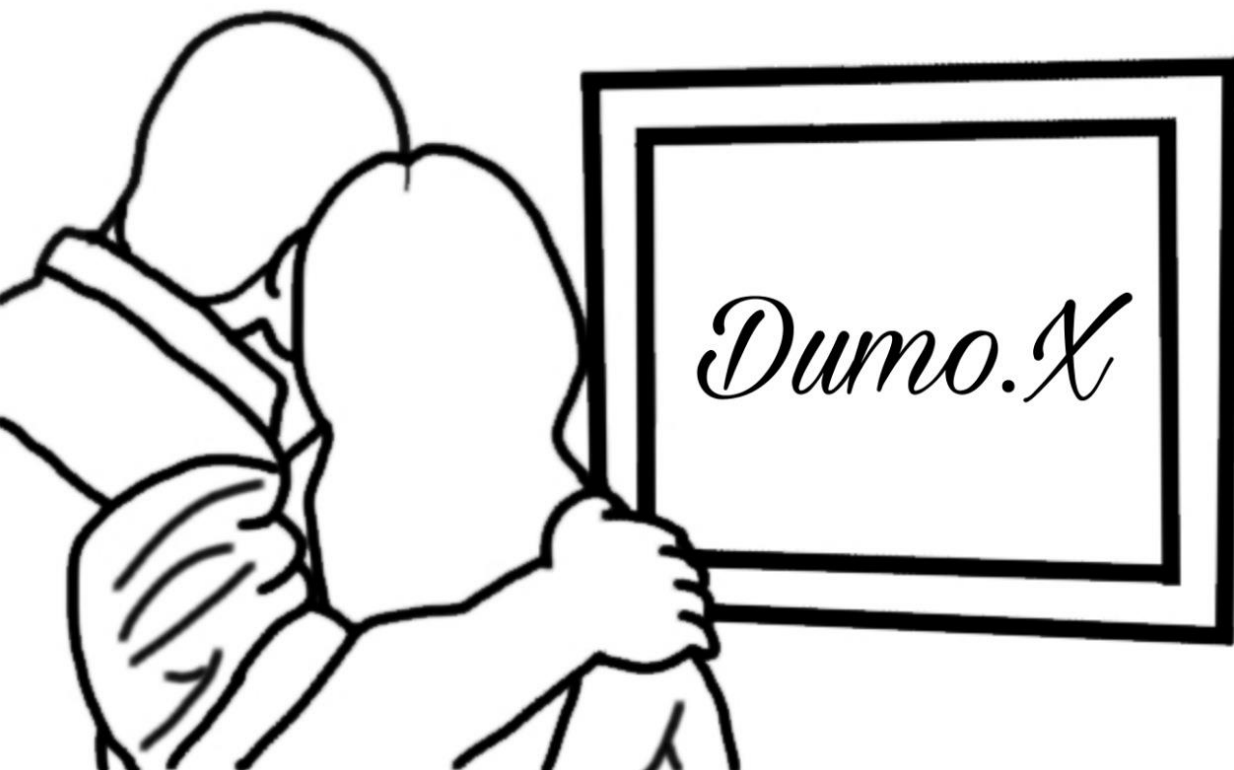

Ngikukhumbula njalo ngikubona
Njalo mawungekho kuyabhora
I know that usaphusha impilo
Nami ngik' fisela impilo
Ngizokuthanda njalo ngikubona
Noma ungekho s'yajola
I know that ngothando uyangithanda
Nami ngokunjalo ngiyakuthanda

Love and Art

She had an eye for art
I had an eye for her
She fell in love with art
I fell in love with her
I realized her heart
Was with her first love art
I fell in love with art
She fell in love with me
Poetic Dreams
For the love of art
Poetic love
Is my type of love

15 Love Avenue

Sunsets, oceans, constellations, candles, and galaxies in their order. It's funny how all these bring peace, and yet I feel it most in your presence. It's almost, your whole self gives definition to it.

Sunrises, sea breeze, open fields, butterflies, rainbows, unicorns, glitter, chandeliers, diamonds, sunflowers, lilies. These all bring light and colour, yet when your eyes open I see colours that vary far from what the colour wheel displays. I see the brights of joy and the dims of sorrow and I believe no colour with a word consisting of vowels and consonants could be used to describe it.

Perfumes, soap, herbs, bath salts, spritzers, cremes, bars and lotions. With an endless list of aromas. But I know when you walk in the room, even with my eyes closed and my ears budded. I can tell you're there just by your scent. Your fragrance marks your presence.

Miss Grey

Tea For Two

Sit down
And we'll drink
tea for two
We'll be fine
Cause it's just
me and you
There's no one else
I'd rather choose
Cause you're the one
I'm afraid to lose

UTHANDO

Uthando

What is it

Who is it for

And how do you know when its knocking on your door

Uthando

The English word being love

Meaning a bond, an unbreakable friendship

A mutual agreement between two hearts

Beating in the chests of two beings

Who can't seem to shake the feeling of this thing

Uthando

Who created it

Does it ever end

It's the one thing you can give away but never lend

Uthando

Unceasing even when we're ceasing to exist

If a man says love is foolish

Is he in love or, is he a fool

Dumo.X

Trapped Love

L.O.V.E... He Smiles Because
Of Me... Wait... L.O.V.E ...
What is It... Love? What Is
Love? "Love Is A Big Word For
Me... My Tongue Twists When
I Say L...o...v...e... See My
Tongue Twisted..." Silly
Love Is A Land Of An
Unending Unwinding
Feeling Of Emotions... You
Feel Different... LoveSick...
A Sickness From Being In
Love...One Thing Though
Love Is Like A Land Of
Traps... One Mistake And You
Get Hurt. Better Be Careful
Of Love But We Still Haven't
Answered The Question...
What Is Love?

Siphiwokazi

HEARTS BROKEN

Art broken
Hearts open
Hearts broken
Eyes open
People loving
People hating
They are chasing
They are choosing
Losing people
Art broken
Leaving people
Hearts broken

Dumo.X

I'M LOSING YOU

LOST IN LOVE
I LOST THE FIGHT
FOR CHOOSING YOU
LOST IN LOVE
I'M ON THE FLIGHT
FROM LOVING YOU
LOST FOR
CHOOSING YOU
NOW I'M LOSING YOU
THANKS FOR ALL
THE THINGS THAT
YOU GAVE TO
LOSING ME

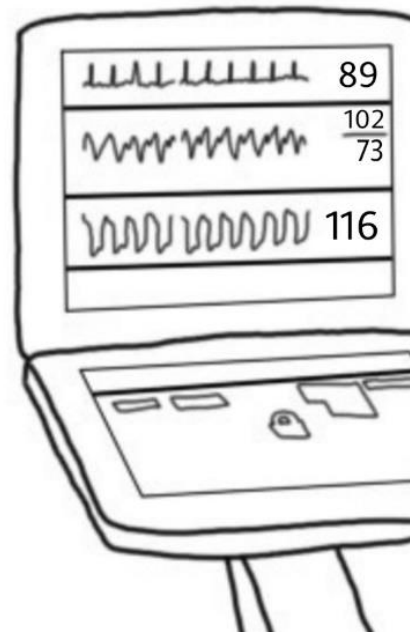

Dumo.X

Flawless

Ever since I started I was conscious
Conscious, that I'm never flawless
What you do about that I embrace it
Never change it, it's not a flaw this
You told me I'll never be flawless
And I told you, you ain't flawless
"What you say I'll knock you out
unconscious"

Unconscious, I was out unconscious
That is when I woke me up in ICU
Then I came out, just to see you
That is cause you came in just to see me
And to apologize, and say "I love you"

Dumo.X

Love Like No Other

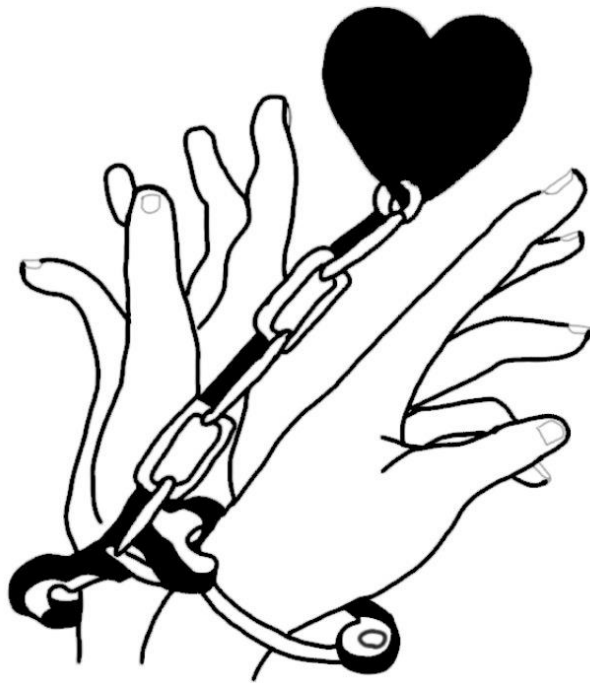

The sky has the sun
The ocean has its reef
The mountain has its peak
The earth has its trees
And my heart has you
The past is everything we were
to make us everything we are.
The pain is everything we
experienced to make us endure
every good emotion we feel
now.

And they were what I
experienced to make me
appreciate everything about
you.

Stole Your Heart

Arms up, eyes up when doves fly
Committed a crime, I need an alibi
Stole your heart when I gave you mine
For love I'll keep on digging like a love mine
Said that I love you, you said I love you too
Care for each other that's what we always do
Loving each other don't see the time fly
I promised your mother I'll never make you cry

Dumo.X
